RESOURCES AND LIABILITIES OF THE SECOND BANK OF THE UNITED STATES.

[Chartered by Congress in 1816, for 20 years; renewal of charter denied, in consequence reorganization was effected by means of authority of the legislature of the State of Pennsylvania. The bank assigned in 1841, the affairs being finally liquidated in 1856, and resulted in the payment in full, interest and principal, of liabilities to depositors and note holders; the shareholders, however, received nothing on their investment in stock of the bank.]
